

SLIDER FABRIC DISPLAY 10' X 8'

INDOOR BANNERS

PRODUCT CODE: SLD10X8

On frame On graphic

PRODUCT DESCRIPTION

This large banner frame is a great alternative to standard pop up backwall displays. The Slider can adjust from an 8' x 8' display. Pole pockets are sewn to the top and bottom of fabric print. The frame is constructed out of telescopic poles that "slide", allowing large graphics to be used on the display.

DISPLAY DIMENSIONS	120"W x 94"H x 17.25"D
GRAPHIC SIZE	120"W x 90"H

SET UP INSTRUCTIONS

1. Assemble the top and bottom horizontal tubing (Horizontal Tube L & Horizontal Tube R)
2. Attach tool free feet to bottom of the vertical tubes
3. Unfold your graphic and slide the horizontal tubes through the pole pockets at the top and bottom of the graphic. Tube length will need to be adjusted to fit the graphic width.
4. Attach top and bottom horizontal tubes to vertical tubes using the screw knobs at the ends of the horizontal tubing
6. Once both top and bottom horizontal tubes and graphic are attached, hoist up vertical tubing until graphic is taught and then twist the tubing to lock in place (see stickers on tubing for lock/unlock instructions)
7. Make any necessary adjustments to width and height
